In the event the Parties jointly or concurrently negligent, each Party shall indemnify the other Party to the extent of its negligent acts or omissions or willful misconduct. Each Party agrees to notify the other Party as soon as practicable after receiving notice of any suit brought against it within this indemnity, shall furnish to the other Party the complete details within its knowledge and shall render all reasonable assistance requested by the other Party in the defense. Each Party shall have the right but not the duty to participate, at its own expense, with counsel of its own selection, in the defense and settlement thereof without relieving the other of any obligations under this "Indemnity" section.

Section 8 FORCE MAJEURE

8.1 Neither party shall be liable to the other Party if it is rendered unable by an event of Force Majeure (as defined below) to perform in whole or in part any obligation or condition of this Agreement, for so long as the event of Force Majeure exists and to the extent that performance is hindered by the event of Force Majeure; provided, however, that the Party unable to perform shall use commercially reasonable efforts to avoid or remove the event of Force Majeure. During the period that a Party's performance of its obligations under this Agreement has been suspended in whole or part by reason of an event of Force Majeure, the other Party likewise may suspend the performance of all or part of its obligations related to this Agreement to the extent that such suspension is commercially reasonable, except for any payment and indemnification obligations arising prior to the occurrence of such Force Majeure event.

8.2 If either Party is rendered unable by Force Majeure to perform or comply fully or in part with any obligation or condition of this Agreement, the affected Party shall give written notice to the other Party of such Force Majeure event within 24 hours after receiving notice of the occurrence of the Force Majeure event relied upon, including, to the extent feasible, the details and the expected duration of the Force Majeure event and the quantity of RINs affected. Promptly thereafter, the Party rendered unable to perform shall confirm such information in writing. Such Party also shall promptly notify the other party when the Force Majeure event is terminated.

8.3 In the event that the period of suspension due to a Force Majeure event affecting this Agreement shall continue in excess of 30 days from the date that notice of such event is given, and so long as such event is continuing, either Party, in its sole discretion, may terminate this Agreement by written notice to the other Party, and neither Party shall have any further liability to the other Party in respect of this Agreement except for the rights and remedies previously accrued.

8.4 For purposes of this Agreement, "Force Majeure" means any cause or event reasonably beyond the control of a Party, including, without limitation, acts of God; strikes, grievances, actions by or among workers or lock-outs, whether or not such labor difficulty could be settled by acceding to any demands of any such labor group of individuals; acts of war, hostilities (whether declared or undeclared), civil commotion, embargoes, blockades, terrorism, sabotage or acts of the public enemy; any act or omission of any Governmental

Authority; good faith compliance with any order, request or directive of any Governmental Authority; or any other cause reasonably beyond the control of a Party, whether similar or dissimilar to those above and whether foreseeable or unforeseeable, which, by the exercise of due diligence, such Party could not have been able to avoid or overcome. The term “Force Majeure” expressly excludes (i) any failure by a Party to apply for, obtain or maintain any permit, license, approval necessary under Applicable Law for the performance of any obligation under this Agreement, and (ii) a Party’s inability to economically perform its obligations under this Agreement.

EACH PARTY ACKNOWLEDGES THE DUTY TO MITIGATE DAMAGES.

The RINs sold hereunder shall be transferred in full compliance with all Applicable Law, including the Renewable Fuel Standard Regulations. Seller and Buyer shall maintain appropriate records that demonstrate compliance with Applicable Law and industry standards. Further, unless otherwise provided in such consent, the assignor shall be jointly and severally held responsible with the assignee for the full performance of the assignor’s obligations. This Agreement shall inure to the benefit of and be binding upon the Parties, their respective successors and permitted assigns.

Section 12. GOVERNING LAW/WAIVER OF JURY TRIAL

12.1 This Agreement and all matters arising in connection herewith shall be governed by, interpreted and construed in accordance with the laws of the State of New York, without giving effect to its conflicts of laws principles that would result in the application of a different law. Each Party hereby submits itself to the exclusive jurisdiction of any federal court of competent jurisdiction situated in the Borough of Manhattan, State of New York or, if any federal court declines to exercise or does not have jurisdiction, in any New York state court in the Borough of Manhattan, State of New York and to service of process by certified mail, delivered to the Party at its last designated address. Each Party waives, to the fullest extent permitted by Applicable Law, any right it may have to a trial by jury in respect of any proceedings relating to this Agreement.

12.2 The United Nations Convention on Agreements for the International Sale of Goods 1980 shall not in any way apply to or govern this Agreement.

Section 13. SURVIVAL:

Cancellation, expiration or termination of this Agreement shall not relieve the Parties of any obligations that, by their very nature, must survive said cancellation, expiration or termination, including, without limitation, a Party’s obligation to transfer RINs that were properly generated or are otherwise valid RINs, and the Parties’ indemnification obligations.

Section 14. NON-WAIVER

The failure of a Party to assert a right or enforce an obligation of the other Party shall not be deemed a waiver of such right or obligation. The waiver by any Party of a breach of any of the covenants, conditions or other terms of this Agreement shall not operate or be construed as a waiver of any succeeding breach of the same or of any other covenant, condition or any other term of this Agreement or any other agreement between the Parties.

Section 15. THIRD PARTY BENEFICIARIES

Nothing expressed or implied in this Agreement is intended to create any rights, interests, obligations or benefits under this Agreement in any person other than Buyer, Seller and their respective successors and permitted assigns.

Section 16. BANKRUPTCY ACKNOWLEDGEMENTS

The Parties intend and agree that: (i) this Agreement shall constitute a “forward Agreement” under section 101(25) and a “swap agreement” under section 101(53B) of the Bankruptcy Code, protected by, *inter alia*, section 556 and section 560 of the Bankruptcy

Code, (ii) this Agreement constitutes a master netting agreement under section 101(38A) of the Bankruptcy Code, and (iii) the rights of the Parties set forth in the "Events of Default/Remedies" section of this Agreement include the rights referred to in section 561(a) of the Bankruptcy Code.
